

20th ETH Conference on Combustion-Generated Nanoparticles

Focus Event: Particle Filter Quality under Real World Conditions

June 13th - 16th, 2016 - Zürich, Switzerland

Sponsorship Opportunities

The ETH Conference on Combustion-Generated Nanoparticles serves as an interdisciplinary platform for expert discussions on all aspects of combustion nanoparticles. About 400 global experts are expected to attend the 20th anniversary ETH Conference. No participation fees will be charged for the conference attendance, despite the considerable amount of work required to prepare and conduct the conference and the significant costs involved for offering free of charge lunches, an evening reception, and the conference dinner. The conference relies on the support of sponsors for it to take place in this form, who get the following opportunities in return:

OPPORTUNITY FOR COMPANIES	Gold	Silver	Bronze
Recognition as event sponsor in the conference program	●	●	●
Inclusion of logo and link on the official conference website	●	●	●
Acknowledgment on the sponsor page of the conference book	●	●	●
Opportunity to provide informational collateral at publication desk	●	●	●
Full-color logo on the sponsors' signage throughout the venue	●	●	●
Full slide with logo and information on flat screens shown during the breaks	●	●	●
Exhibition booth with table, chairs, poster wall and electricity included	●	●	
Promotion in the conference foyer through own roll-up or banner stand	●		
Opportunity to host Welcome Reception and address conference attendees	●		
Access to final delegates list in digital format	●		
Price (in SFr)	7,500	5,000	1,500

OTHER SPONSORS	
Reserved for public institutions, trade and professional associations, research project/program groups, non-profit organizations, etc. *	Discretion

Don't miss this great opportunity! If you would like to reserve one of the above sponsorship options, simply send an email to the conference organizers at ttm.a.mayer@bluewin.ch. Please do not forget to provide your billing information and address.

Other Sponsors

The following applies to non-commercial sponsors*:

- There are no pre-defined sponsorship amounts. Everyone is at their own discretion to sponsor as much as desired to support the conference.
- The receipt of the sponsoring amount and its purpose will be confirmed in writing.
- The conference is organized by the "Verein zur Durchführung der ETH-Nanopartikel-Konferenz". This association is a registered non-profit making organization. In most countries sponsoring and donations are therefore tax-deductible.
- All non-commercial sponsors receive a balance and may inspect the account.
- All non-commercial sponsors receive a report of the conference that details its statistics, highlights and key findings.
- There are no additional fees for participating in the conference.
